# **Ashutosh Maurya**

## **Education**

ABES Engineering College

B. Tech (Computer Engineering) CGPA: 7.56 (till 4th semester)

Academic Global School

12th - 79% (CBSE)

Academic Global School

10th - 83% (CBSE)

# **Projects**

• **Description:** A travel website is an online platform that provides information, booking services, and inspiration for travelers. It offers features such as flight and hotel reservations, destination guides, travel itineraries, and user reviews to help users plan and enjoy their trips seamlessly.

• Tech Stack: HTML,CSS, Tailwind CSS,React js,Node js,MongoDB.

#### **Outcome:**

- Easy booking for flights, hotels, and transport.
- · Cost-effective travel with deals and comparisons.
- Enhanced user engagement through reviews and tips.

## **Book Store-Flipkart**

github repo 🗹

- **Description:** The Flipkart Bookstore offers a vast collection of books across genres like fiction, non-fiction, educational, and self-help.
- **Tech Stack:** React.js,TailwindCSS,Node.js(Express.js),MongoDB,Razorpay,Flipkart wallet.
- Outcome:
- Wide Book Selection: Vast collection of books across genres for diverse readers.
- Enhanced User Experience: Fast search, personalized recommendations, and intuitive interface.

### **Technical Skills**

Programming Languages: Python, C (basics), C++ (basics), JavaScript

Web Development: React.js, Node.js, HTML, CSS Databases: MongoDB, MySQL, DBMS concepts

Core Concepts: Object-Oriented Programming (OOPs), Data Structures and Algorithms, Problem Solving

Tools: Git, GitHub, Visual Studio Code

Other Skills: Debugging, Testing, Code Optimization.

# **Achievements/Certification**

- **HackerRank Python Certification (3-Star)**: Demonstrated strong proficiency in Python programming through efficient coding and problem-solving skills.
- Infosys Springboard Certifications: Certified in HTML, CSS, and JavaScript, showcasing strong frontend web development skills .
- **Data Science Certifications:** Acquired foundational and advanced knowledge in data science concepts, techniques, and tools.
